

WHAT'S ON THE NEXT BOARD AGENDA

1

DIVERSITY

Expect stakeholders to be even more focused on inclusion, with the anniversary of the George Floyd killing and Hispanic Heritage Month.

2

INFLATION

The year has seen the highest inflation rate in 40 years. Does your executive team expect to pass along costs, shrink profit margins, or something else?

3

STOCK PRICE

This year's market slide could be a harbinger of things to come. Should the board take action to try to boost declining share prices?
